Welcome Visitors

We want to take a moment to extend a very warm welcome to everyone who's visiting us this morning. Whether you're just passing through town, or are searching out for a place to worship and serve God and fellowship with Christian brothers and sisters, we're delighted you're here. May you experience the love of Christ this morning and His presence during our worship. We hope you feel welcomed by God's family at Hwy. 36! We invite you to come back anytime.

We are so thankful to have the Barcomb family join God's family here at Hwy. 36! Joe and Rose and their 2 sons, Austin and Jordan have been visiting with us for a month and are happy that they have found their church home. They live in the Eula area. Please meet them if you haven't already and welcome them into our fellowship. We will have their member directory page done soon with all of their contact information.

Pray~Plan~Give

Next Sunday, March the 17th, you will have an opportunity to help the people in the Panhandle who have suffered loss from the fires. The contribution plates will be passed twice. The first will be for our regular giving and the second for fire relief aid. The funds will be sent to the Canadian church of Christ fire relief fund. Thank you!

From the shepherd's pen:

It's Daylight Savings time! Happy Spring Break! Today marks off 2 more events on the countdown to official Spring. With our warmer temperatures recently and this week's thunderstorms, we are already seeing the early buds and greener grass as everything comes out of dormancy beginning to blossom and grow again...just the way God designed nature to work.

The authors of the New Testament use gardening and nature oriented words, too. Before Christ we are dormant, in the dark, essentially dead, cold, and not growing. Then we have the water of baptism in Christ, we are in the Light, and we come alive...born again, from imperishable seed, grafted on, with the fruit of the Spirit.

We ARE in Texas so we all know we will have a few more cold spells before it's stays warm. But soon we will all be outside picking vegetables, smelling the Texas Mountain Laurel, watching the bees, and mowing. Be thankful to our God for a beautifully designed promise...the Light after the darkness.
